APPLICATION FOR ENROLLMENT OF STUDENTS WHO ARE MEMBERS OF IMMANUEL LUTHERAN CHURCH

Immanuel Lutheran School is one arm of our congregation's Christian educational process, and as such it is an integral part of the total parish program at Immanuel Lutheran Church.

Our school is the expression of concerned and committed Christians who believe that no price is too high to pay to see that Jesus Christ is the central figure in the education of persons who are eternally alive in the risen Christ. By the Grace of God, we endeavor to help each child grow spiritually, emotionally, intellectually, socially, and physically to the best of his God-given ability. Above all else, we are committed to the belief that we must confront each student on every school day with the knowledge of his own sin and of God's redeeming forgiveness purchased and won through the life, death, and resurrection of our Savior, Jesus.

With whom does the child (children) reside? _____

We wish to enroll our child(ren) in Immanuel Lutheran School. We will assist our child(ren) to be regular in school and church attendance, insist on cooperation with the teachers, and require adherence to school rules. We will participate in the educational program of our child(ren), attending and bringing them to worship services in which they have been asked to participate, attending school events involving our child(ren), attending Parent-Teacher League events, and assisting the school in volunteer helper roles as time and talent allow.

We understand that enrollment of our child(ren) at Immanuel obligates us to make school fee payments, some of which are due at the time of Orientation/Registration in August, and others due at various times through the school year. (A \$50.00 non-refundable deposit is due at the time of enrollment for all Kindergarten applications and 1st-8th grade new student applications.)
