This weekend we are blessed to have Seminarian Josh Galindo and Rachel Webb help lead us in worship!

Both are students pursuing church work. Josh is preparing to become a Pastor and Rachel has plans to become a Deaconess! One way Immanuel supports students going into church work is through our Droegemueller & Steigemeyer scholarships. Applicants are awarded as funds are available. If you would like to support students from Immanuel who feel led to full time church work consider making a donation to Immanuel with Droegemueller or Steigemeyer scholarship in the memo.

Too busy to remember your envelope? We can relate! Use this QR code to make a one-time or recurring gift today.

If you would like to help, please leave your donated items in the food box in the narthex by Sunday, August 10th.
